Why 15 Needles?

- More Time Sewing, Less Time Changing Thread Colors
- Dedicate Needle Path(s) To Specialty Threads & Needles

EZ Change Cap

- Fast & Easy
- No Tools Required
- Light & Easy To Handle

Smart Tension System

Analyzes stitch type, machine speed, & feedback to adjust top tension during the sewout for consistent performance.

- Replaces Tension Knobs
- Sew Specialty Threads With Ease
- Embroider Any Fabric Thickness

Say Hello To Innovation & Goodbye To Frustration

Engineered For Quality + Productivity

- Arm Size: 2.63"
 - o Embroider On Small Items
 - o Increase Quality
- Redesigned To Reduce Gap Between Needle Plate & Caps
 - o Sew Caps Faster
 - o Say Goodbye To Thread & Needle Breaks
- Contour Laser Trace
 - o Position Design Exactly Where You Want It

The SWF KX-T1501 compact embroidery machine is equipped with features that will keep your embroidery shop producing more product in less time, while maintaining professional results on caps, flat apparel, & accessories. The slim cylinder arm alongside the adjustable pressure foot allows decorating nearly any item while reducing downtime with the 15 needles & smart tension system.

Smart Action Presser Foot

Adjust for optimal performance

- 3D Puff Embroidery Made Easy
- Various Fabric Thicknesses
- Reduces Fabric Movement
- View & Manage Designs
- Select Settings
- Check Embroidery Status

15" LCD Touch Screen

Enjoy a large Operation Panel display in color.
